I Am very well pleased to find that my Lion has given such Universal Content to [illegible] have seen him. He has had a greater Resort of Visitants than any of his Brother Beasts in the *Tower*. This Morning came [illegible] there among much other Food I found the following delicious Morsel.

To NESTOR IRONSIDE, *Esq;*

Mr. GUARDIAN,

'I Am a Daily Perusar of your Papers, I have read over and over your Discourse concerning the Tuckers, as likewise your Paper of *Thursday* the 16th Instant, in which you say it is your Intention to keep a watchful Eye over every part of the Female Sex, and to reinstate them from Head to Foot. Now, Sir, being by Profession a Mantua-maker, who am employed by the most Fashionable [illegible] am admitted to them [illegible] and seeing them [illegible] and undress'd, [illegible] no Person better qualified than my self to serve you (if your Honour pleases) in the Nature of a *Lioness*. I am in the whole Secret of their Fashion, and if you think fit to entertain me in this Character, I will have a constant Watch over them, and doubt not I shall send you from time to time such private Intelligence, as you will find of Use to you in your future Papers.

Sir, this being a new Proposal, I have [illegible] will not let me [illegible] you will [illegible] any more effectually [illegible] Sample of my Intended Services, I give you [illegible] Notice of an Improvement you will [illegible] in the Dressing of the Female Breast, which in defiance to your Gravity is going to [illegible] and more, so that to [illegible] DICK, I am in some fear [illegible] in a little time become [illegible] shall [illegible] to you a [illegible] may call [illegible] rather an [illegible] have not yet [illegible] narrow [illegible] which [illegible] before, and [illegible] ring to the Shoulder [illegible] as it were a part of the [illegible] by a partition [illegible] Now, Sir, [illegible] to you at present is, [illegible] Merits [illegible] Stiffness [illegible] in which [illegible] Wants and Beauties, [illegible] resolved for the future to lay the Modesty piece wholly aside. It is intended at the same time to lower the Stays considerably before, and nothing but the inclement Weather has hindered this Design from being already put in Execution. Some [illegible] indeed objected to this last Improvement, but were over-ruled by the rest, who acknowledged
